# Advanced Dreamweaver
## Training course outline

*Advanced Dreamweaver* goes beyond the basics, looking at Dreamweaver's more sophisticated features for developing professional-standard websites.

You explore techniques for making websites that are mobile-friendly, responsive and interactive.

## Course summary
Teaches how to use Dreamweaver to incorporate advanced features into your website. Sessions include:

- Rollovers.
- Web animations.
- Adding interactivity to a website.
- Responsive designs.

## Duration
Two days.

## Who should attend?
Anyone proficient in Dreamweaver who wants to take their website creation skills to the next level.

## In-class or live online
You can attend course in-person at any of our centres, or participate online from your place of work or home.

To read about our approach to online training, see armada.co.uk/live-online-training.

## General information
Armada is an Adobe Authorised Training Centre (AATC), and our *Advanced Dreamweaver* course is accredited by Adobe.

This course is hosted by an Adobe Certified Instructor (ACI) with vast experience of using Dreamweaver commercially.

*Advanced Dreamweaver training* is arranged *on-request*, i.e. one-to-one training or a course for your group. This means that the training can be:

- Provided when it suits you.
- Adapted to reflect any existing knowledge you have and the work you're going to be doing.

Whilst attending training at our centres, you'll have the use of a computer running licensed Dreamweaver software to practice the techniques taught. Refreshments and lunch are provided.

Course fees can be paid by card or bank transfer.  We accept purchase orders from UK-registered companies and public sector organisations.

If you're self-funding your training, you can pay in staged payments, interest-free, over 12 months.

## Course materials and certificate
You'll receive:

- Comprehensive training materials.
- An e-certificate (PDF) confirming successful completion of an Adobe-accredited *Advanced Dreamweaver* course.

## After course support
Following Dreamweaver training, you're entitled to 30 days' email support from your trainer.
